Cornwall Tourism Development Fund

Background

The Cornwall Tourism Development Fund was established in 2019 to support efforts to grow tourism activity in the City of Cornwall.

The fund has two streams:

- The **Festivals and Special Events Stream** provides support to festivals (new or existing), conferences, major sporting events and other events that demonstrate the capacity to attract a significant number of visitors to Cornwall.
- The **Attractions and Tourism Product Development Stream** provides support for enhancements to or the creation of new infrastructure, business, product offering or facility that will result in a measurable improvement to the tourism offering in Cornwall.

Overview

Application intake is continual throughout the year. Applications are reviewed by an Advisory Committee and approved by the Board of Directors of the Tourism Development Corporation of Cornwall.

Applicants to the Festivals and Special Events Stream are encouraged to apply a minimum of 90 days prior to the date of their respective event.

Each application will be assessed to determine its suitability to achieving the following expected results, where applicable:

- Increase in tourist attendance, overnight stays and visitor spending in Cornwall
- Overall economic impact of the project
- Positive regional, provincial, national or international exposure for Cornwall
- Enhancement of Cornwall's tourism offering
- Strengthening of Cornwall's position as a visitor destination
- Support or creation of direct and/or indirect jobs

Applicants can apply for up to \$20,000 in funding. Consideration may be given to projects requiring higher levels of funding in unique circumstances where the project stands to have a significant and measurable impact on tourism visitation to Cornwall.

Please note the Cornwall Tourism Development Fund is a discretionary program with a limited funding allocation. In some cases, a project that meets all program criteria may not be approved for funding as other projects may more effectively meet the criteria.

Eligibility Requirements

The project must be hosted within the immediate Cornwall area.

Priority will be given to applications that clearly demonstrate:

- Increase in tourist attendance, overnight stays and visitor spending in Cornwall
- The project is recurring
- The project is fiscally-responsible
- Positive media exposure
- Innovative strategies or activities that improve the quality of the event experience and increase visitation and spending
- A strong economic and tourism impact
- Solid budget planning

For-profit events will be assessed case by case and grant monies provided will be conditionally repayable.

All funding shall be for future projects. Retroactive funding will not be considered.

Eligible Expenses

Festivals and Special Events Stream

Eligible project costs include new/enhanced programming, marketing/advertising costs or general operating costs associated with an event.

Ineligible expenses include competition prizes, prize money, and/or monies paid to the competition participant.

Attractions and Tourism Product Development Stream

Eligible project costs include the development, expansion, creation or upgrading of a tourist attraction, activity, facility or service.

Funding cannot be used for regular facility upgrades, asset maintenance or regulatory compliance projects.

Funds granted under this program must be used for the specific purposes outlined in the application.

Reporting Requirements

Successful applicants will be required to:

- Sign a Funding Agreement outlining the terms and conditions for receiving funds.
- Report back within 60 days following the project completion on the use of the funds, key deliverables and outcomes achieved.
- Acknowledge the support of the Tourism Development Fund in all advertising and media efforts.

Definitions

Tourist

For the purposes of the Tourism Development Fund, a tourist is defined as an individual (including an Ontario resident) who travels 50 kilometres or more or crosses the Ontario border to partake in a tourist activity.

How to Apply

Completed applications (along any supporting documentation) should be mailed, emailed or delivered to:
